While the House engaged in desultory debate on the District of Columbia ap-propriation bill, the various committees of that body yesterday spent a busy day.

### GEORGE TAX BILL HITS SPECULATION

Author of Measure Says It Will Discourage Land Sharks in District.

SINGLE TAX THEORY

Son of Famous Economist Would Apply Father's Ideas to the District-Bill Very Comprehensive.

Providing for annual assessments, a graduated scale whereby in the next four years assessments on animproved property shall be increased by about 22 per cent, and done away with altogether on interprevements on real estate and furnishing a complete new legal machinery for real estate agassment in the District, the Henry George, jr., bill was introduced in the House late resterday afternoon. Besides the radical strate agreement, which The Washington Herald predicted, as far back as just June, would be offered by the New York member, the bill contains many changes from the existing

ins many changes from the existing w which, in the opinion of Mr. George, Ill sife up a more poticeable interest the District than any bill so far in-

### NEWSOFALEXANDRIA

President Taft Accepts Invitation to Make Pilgrimage to Mount Vernon on February 22.

Alexandria, Va., Jan. is.—President Tartio-day accepted an invitation extended 
him by a committee of Massons of Alexandria-Washington Lodge to make a 
pilgrimage to Mount Vernon on the afterroon of February 22 with the members 
of the George Washington Memoribal Association, composed of master Massons of 
the various jurisdictions throughout the 
country. President Taft, however, regreeted his inability to attend the amnual banquet of that organization, which 
will be held that night, owing to previous engagements.

Eillisti H. Goodwin, secretary of the Civil Service Reform Association, of New York, appeared yesterday before the House Committee on Reform in the Civil Service and speke in favor of a contributory pension system for government should pay its employee ade-tonic maintiment employation is. The said, 'that the covernment should pay its employee ade-tonic maintiment employation is.' he said, 'that the covernment should pay its employee ade-tonic ment employation is fair salary does not mean entry coosing to subsist on, but encurs to recompense for duty performed and to admit the laying by of something for the future.

"If this contributory pension system goes into effect, and if an employee claims that he cannot stand an average reduction of 5 and 6 per cent as his contribution, then that is evidence that the salary being paid is not sufficient. Too large reductions under the plan will have being paid is not sufficient. Too large reductions under the plan will incean that clerks will leave the service and new men will refuse to enter."

"Do you think a reclassification of salaries should accompany pension legislation?" saked Congressman Talcott.

"To certainly should be taken listo account." said Mr. Goodwin, but reclassification of the salary bound to the salary samples of the samples of t

Count. and Mr. Goodwin. But revises fidention is a large and separate question.

"We cannot indorse the Austral bill, which proposes a flat, horisontal raise of 15 per oant in connection with a contributory pension system," asserted Mr. Goodwin, who, like some other speakers, did not favor the shating plan.

"We want, did not favor the shating plan.

"We want, "There are many salary into the proposes a flat, borisontal raise of the ledge, has charge of the arrangements for the hanquet.

"We want, did not favor the shating plan.

"We want, "There are many salary into the proposes of the creation of the first one with the trial of Lewis Hooff, the indiced banker, who was secretary and countries. For instance, the entrance salarice are low, and, on the other hand, area are low, and, on the other hand, area are low, and, on the other hand, area and practically performing no duties."
